Girl Scouts Meet with Mayor over Milk & Cookies to Discuss How Cookie Proceeds Sponsor Community Service Projects

Girl Scouts Celebrate National Girl Scout Week from March 7-13, 2010

What: Despite the grip of a volatile global economy, Girl Scouting is persevering, as it has for nearly a century, especially during other tumultuous moments in history from the World Wars to the Great Depression. The platform for the organization's commitment to help others is the Girl Scout Cookie® Program, a national tradition since 1936. It is the world's premier financial literacy and entrepreneurial training ground for girls, helping them become part of the financial backbone of our country. It affords Girl Scouts opportunities to do what they do best, support their communities through service.

Representatives from the Girl Scout Commonwealth Council of Virginia (GSCC) will meet with Mayor Tomzak to highlight how proceeds from the cookie program fund successful service projects and determine how future resources may be used to help Fredericksburg. Taking place one week prior to Girl Scout Week, the meeting coincides with the anniversary of the founding of the first Girl Scout Troop on March 12, 1912.
