Girl Scout Voices Count survey is here!

You spoke. We listened.

Last year, nearly 100,000 members completed our annual Girl Scout Voices Count survey to tell us about their experiences in Girl Scouts. Your feedback is used to make national programs more engaging, inclusive, and hands-on, and to create new resources to support troop leaders. Your voice matters and makes Girl Scouts better for everyone—so we want to hear from you!

In April, we'll be conducting our Girl Scout Voices Count national survey of Girl Scouts, parents/caregivers, and troop leaders (service unit volunteers will be surveyed in May). The feedback you provide is so important as it helps us improve Girl Scouts programs and services.

The surveys have been sent to your email. Be sure to check your email for an invitation to participate. We're looking forward to hearing from you! If you have any questions, please email GSVoicesCount@girlscouts.org
