2. Clean out your vehicle ahead of time to maximize the space for carrying cookies.
3. For your safety, please be prepared to stay in your vehicle until you enter the count/sort selection.
4. If multiple vehicles are picking up for your troop, please pull over and wait for all vehicles to arrive prior to getting in the drive-thru line.

Raspberry Rally Update

Wow, our girls are rocking the Raspberry Rally!

After having been re-released last week the Raspberry Rally is currently unavailable.

Raspberry Rally will be back one final time in a very limited quantity on March 4th at 12:00 a.m. This will be the final release of inventory and the cookie will remain sold out after this supply is gone.

We are excited by this success of the online only cookie.

Cookie Booths: important reminders and exciting updates!

Are you scheduling booths on your own for your troop? Remember to enter those in Smart Cookies so they will show up on the Cookie Finder site. Listing them in Smart Cookies enables your troop to use Smart Cookie credit card processing for electronic payments at your booth.

When scheduling your troop's booths, keep in mind guidance from Girl Scouts of the USA. *Certain locations may be inappropriate for young girls based on the standards of your local community, may negatively impact the cookie program experience for girls, and/or may negatively impact our brand in your community. For clarity, girls should not sell in or in front of establishments that they themselves cannot legally patronize.* For this reason, GSCV does not approve cookie booths at breweries, wineries, and dispensaries.

To enter your troop secured booth in Smart Cookies follow the steps below:

- Log into Smart Cookies
- Click on Booth at the top of your dashboard
- Click on Troop Secured Booths
- Enter the location with the complete address
- Enter the day and time of the booth
- Click Save

Each booth will need to be approved by a member of the GSCV staff before it shows on the Cookie Finder site or as a booth in your troop listing. Booths are approved daily.

Cookie Booths Update

We added more booth opportunities in Smart Cookies. **Troops now are eligible to sign up for 10 council sponsored booths in the Smart Cookies system.** Please remember if you sign up for a booth but then are unable to be there, please release that booth in Smart Cookies so another troop can have that opportunity.

To register for one of these booths follow the steps below:

1. Log into Smart Cookies
2. Click on Booth at the top of your dashboard
3. Click on Schedule Booth
4. Select a booth out of the available opportunities

Below is an update on the status of some of our community partners and cookie booths:

Our Cookie Cupboards will open next week!

In order for us to have your cookies ready and guaranteed when you pick up, we use a planned order system in Smart Cookies. Planned orders placed in Smart Cookies by 11:30 p.m. on Sunday evening will be available for pick up Friday or Saturday.

Here's how to place your planned order:

1. Log in to Smart Cookies
2. On your dashboard, click on "Orders"
3. Click on "Planned Orders"
4. Choose the location you want to pick up
5. Choose the date and time frame for pickup
6. Enter the cookie order
7. Click "Save"

Please Note: Planned orders are only for full cases of cookies. Not all cupboards are able to take planned orders.

First Troop Payment

Your troop's first payment for cookies will be drafted from your troop bank account on Wednesday, March 15th. The Smart Cookies system calculates the payment amount by pulling the balance due from your initial order January 26th and subtracting the amount of money that was collected electronically

from online payments. The balance is split in half for this first payment. Two days prior to the draft, you will receive an email detailing the amount to be drafted. If your troop is unable to accommodate the scheduled draft, please notify the help desk at gshelper@comgirlscouts.org or by calling (804)746-0590 x316 no later than Tuesday, March 14th by 10:00 a.m. If your troop currently doesn't have a Girl Scout bank account, please let us know by emailing the help desk at gshelper@comgirlscouts.org or calling (804)746-0590 x316.

Black History Month Celebration “I’m A Girl Scout!” Fun Patch

Black History Month is an annual celebration of achievements and contributions of the African American and Black communities—a time (though not the only time!) for emphasizing the central role of this varied community throughout U.S. history.

Number of activities required to complete the patch: Daisy (3) • Brownie (4) • Junior (6) • Cadette (8) Senior (10) • Ambassador (12)

Here are three of the many activities you can do this week to celebrate and work towards getting your patch!

- 1) Read about Shirley Chisholm, the first African American woman elected to Congress and the first woman and African American to seek the nomination for president of the United States. Write a poem about her accomplishments!
- 2) Cook a recipe you can enjoy with your troop, friends, or family that originates in the African American community. For an extra point, watch an episode of High on the Hog: How African American Cuisine Transformed America.
- 3) Read about the significance of the Underground Railroad and create your own map showing the routes.
