### American Red Cross Program activities Hurry! Registration closes Saturday.

For this presentation, we discuss the most common hazards in the United States – particularly home fires - and how students can stay prepared for and know what to do in case of an emergency. We teach students how to use coping skills to help manage stress which are also practical for everyday situations. We help students gain confidence in the abilities to be prepared and discuss how students can use their knowledge to act as advocates for emergency preparedness in their homes and communities.

The Prepare with Pedro virtual or in-person presentation is a 45-minute story time with Pedro the penguin and his friend, Mia, that teaches 2nd and 3rd graders how to stay safe from home fires. We discuss what a smoke alarm is and how important it is to "get low and go", check their smoke alarms, and establish a meeting place that all members of the household will go if there is a home fire.

## Cookies and social media

Our social media guidelines have evolved over the past few years as new tools are available for girls to use. With the addition of troop links to girl links, it's become rather confusing. Consider the guidelines below when wondering what can be posted where.

- **Girl Links**- this is a direct link to a specific girl's order site. These can be posted on social media but **only to family and friends**. This allows people your family has a personal relationship with to order cookies directly from your Girl Scout.
- **Troop Links**- this is a direct link to a troop's order site and benefits the entire troop not one specific girl. These can be posted on social media to **family and friends**. For example, a Troop Leader without a Girl Scout in the troop may want to share this link. Remember after the Cookie Program the cookies need to be allocated to girls in the troop to get credit.
- **Booth Sales**- details can be posted to public sites giving the date, time, and location if it's simply informative. We can't post links to virtual booths in public groups (such as a neighborhood or PTA group), but you can let them know about an upcoming cookie booth.

## Cookie Booths: important reminders and exciting updates!

Are you scheduling booths on your own for your troop? Remember to enter those in Smart Cookies so they will show up on the Cookie Finder site. Listing them in Smart Cookies enables your troop to use Smart Cookie credit card processing for electronic payments at your booth.

When scheduling your troop's booths, keep in mind guidance from Girl Scouts of the USA. *Certain locations may be inappropriate for young girls based on the standards of your local community, may negatively impact the cookie program experience for girls, and/or may negatively impact our brand in your community. For clarity, girls should not sell in or in front of*

establishments that they themselves cannot legally patronize. For this reason, GSCV does not approve cookie booths at breweries, wineries, and dispensaries.

To enter your troop secured booth in Smart Cookies follow the steps below:

- Log into Smart Cookies
- Click on Booth at the top of your dashboard
- Click on Troop Secured Booths
- Enter the location with the complete address
- Enter the day and time of the booth
- Click Save

Each booth will need to be approved by a member of the GSCV staff before it shows on the Cookie Finder site or as a booth in your troop listing. Booths are approved daily.

**The first-come first-serve cookie booths** will go live in Smart Cookies on Monday, January 23rd at 7pm for all troops. We will continue to add more booth locations as they become available so be sure to check back with Smart Cookies regularly. Initially, we will limit troops to one booth, so everyone has a chance of getting one. Then we will expand the amount a troop can sign up for as we add more opportunities.

To register for one of these booths follow the steps below:

- Log into Smart Cookies
- Click on Booth at the top of your dashboard
- Click on Schedule Booth
- Select a booth out of the available opportunities

**Below is an update on the status of some of our community partners and cookie booths:**

Stores **Troops Can Contact** to set up cookie booths:

Kroger (except Willow Lawn)  
Dunkin Donuts  
Sam's Club  
Tractor Supply  
small locally owned businesses

Stores who are currently not allowing booths to be scheduled - **Troops should not contact them:**

Wawa  
Kohls  
Target  
Publix

Stores working with the council for booth opportunities - **Troops should not contact them:**

Walmart  
JoAnne Fabrics  
Triangle Rock Climbing Club  
GNC  
Food Lion  
more updates coming

## Celebrate World Thinking Day 2023

Each year on February 22nd, girls celebrate international friendship with Girl Guides and Girl Scouts around the world through activities and projects around an annual global theme. It is a special day in the Girl Scout year when we remember we are part of a worldwide movement.

The World Thinking Day 2023 Theme is "Our World, Our Peaceful Future: The environment, peace and security." In this year's activities, we'll explore what we can learn through the environment and how we can work with nature to create a more peaceful and secure future for girls everywhere. We will explore topics of stewardship, harmony and the role the environment plays in peace and security.

The World Thinking Day Award is an official award and therefore it may be worn on the front of the official uniform sash or vest and placed where other earned badges are worn. The award is a two inch round sew-on photo patch. Made in the USA. Patches available in the Retail Shop or online \$3.50.
