## Cookie Program

### Change in Cookie Drive Thru location in Fredericksburg.

The cookie drive thru previously scheduled at the Fredericksburg Expo on Thursday February 16th has been moved to the Ron Rosner YMCA located at 5700 Smith Station Rd, Fredericksburg VA 22407. When entering the Y parking lot turn to the right and head towards the playground or where the cookie cupboard is normally located.

**Don't forget to include your Girl Delivery orders in with your initial Cookie Order!**

### **Girl Delivery orders**

Follow these steps to determine if a girl in your troop has cookies sold online for girl delivery (paid for or not) to identify if they need to be added to your initial order or cupboard pick up.

- 1) Check with the girl's family to see if they included the girl delivery orders with the order they submitted to you. If not, then continue to step #2.
- 2) Log into Smart Cookies
- 3) Click on Reports
- 4) Click on Mobile and eCard summary report
  - See image below – the troop needs to account for (order the cookies) all orders listed on the report under the highlighted categories. Remember, anything Direct Ship has already been shipped to the customer and applied to the Troop sales/financials and to the girl sales and rewards.
- 5) Once the cookies are picked up by the girl, the troop leader will need to transfer those cookies to the girl to ensure she receives credit for the sale.

## Opting Out of Recognitions

If your troop is made up of just Cadettes, Seniors, and Ambassadors, and your girls have decided to opt out of recognitions, it is important you do this prior to placing your initial order. Follow these steps to complete this process:

- On your Troop Dashboard, click on My Troop
- Click on Troop Information
- Click on Main Recognition Plan and choose Opt Out. This will change to opt out in both the main recognition line and the troop recognition line.
- If Opt Out doesn't appear and you can't make the choice, it may mean your troop isn't strictly older girls and is not eligible to opt out, or you may have already created a recognition order and will need the Help Desk to assist you. You can contact the Help Desk at [gshelper@comgirlscouts.org](mailto:gshelper@comgirlscouts.org)

## Raspberry Rally Update

The launch of the new Raspberry Rally cookie has been an incredible success. Our girls are perfecting their digital skills and customers are loving the new flavor. Due to this success, the Raspberry Rally will be temporarily unavailable on the Smart Cookie Direct Ship site. We anticipate it being available again February 10<sup>th</sup>. Please note this is a change from the original anticipated return date of February 6<sup>th</sup>.

## Cookie Program Frequently Asked Questions

**Can my troop purchase the online exclusive Raspberry Rally cookie and then upcharge to cover the cost of shipping?**

Troops are asked not to purchase the online exclusive Raspberry Rally with the intent of reselling the cookies. **Under no circumstances can troops charge customers above the \$4 set price (\$5 for Gluten Free Caramel Chocolate Chip).** Any troop doing so will be asked to stop immediately and may jeopardize further participation in the Cookie Program.

**My troop is setting up a virtual booth and we have orders in the system. Why do those orders say pending when I look at the "View Booth Credit Card Payments" tab under "Booths"?**

The cookies ordered from a virtual booth are identified as "pending" until the troop leader approves the order or declines the order. This is a precaution to ensure the troop has the cookies to fill the order and the booth is still happening. For example, someone can place an order from the link for the virtual booth. They may have ordered a full case of their favorite cookie and paid for the order. The troop leader then views the "View Booth Credit Card Payments" section. By accepting you are ensuring you will have the full order available. If you do not have the cookies to fill the order or an emergency arises, you have the option to decline the order and the customer will not be charged for the cookies. The customer's credit card is only charged for the order once you approve the order in Smart Cookies.

**Some of the girls in my troop are sharing their social link, but it's not giving them the option for girl delivery. What do we do?**

The girl delivery feature through social link is available for activation during the girl registration process. If the parent/guardian wishes to turn girl delivery via social link on or off AFTER the registration process, the girl/parent will need to log into Smart Cookies, navigate to "My Profile" and either check or uncheck the box that says, "Opt in for Social Link Delivery Option".

NOTE: any changes made to girl delivery opt in/out will NOT change the status of existing orders, only future orders placed by customers using the girl social link. As a reminder, the girl social link will always offer "Direct Ship" as an option, even if "Girl Delivery" is turned on/off.

**Cookie Booths: important reminders and exciting updates!**

Are you scheduling booths on your own for your troop? Remember to enter those in Smart

Cookies so they will show up on the Cookie Finder site. Listing them in Smart Cookies enables your troop to use Smart Cookie credit card processing for electronic payments at your booth.

When scheduling your troop's booths, keep in mind guidance from Girl Scouts of the USA. *Certain locations may be inappropriate for young girls based on the standards of your local community, may negatively impact the cookie program experience for girls, and/or may negatively impact our brand in your community. For clarity, girls should not sell in or in front of establishments that they themselves cannot legally patronize.*

For this reason, GSCV does not approve cookie booths at breweries, wineries, and dispensaries.

To enter your troop secured booth in Smart Cookies follow the steps below:

- Log into Smart Cookies
- Click on Booth at the top of your dashboard
- Click on Troop Secured Booths
- Enter the location with the complete address
- Enter the day and time of the booth
- Click Save

Each booth will need to be approved by a member of the GSCV staff before it shows on the Cookie Finder site or as a booth in your troop listing. Booths are approved daily.

**The first-come first-serve cookie booths** went live in Smart Cookies on Monday, January 23rd at 7pm for all troops. We will continue to add more booth locations as they become available so be sure to check back with Smart Cookies regularly. Initially, we will limit troops to one booth, so everyone has a chance of getting one. Then we will expand the amount a troop can sign up for as we add more opportunities. **On Thursday January 26<sup>th</sup> at 1pm the maximum number of booths a troop can reserve will increase to two.**

To register for one of these booths follow the steps below:

1. Log into Smart Cookies
2. Click on Booth at the top of your dashboard
3. Click on Schedule Booth
4. Select a booth out of the available opportunities
