□ Routine System Maintenance Ahead! □

Starting on **Friday, February 2, 2024**, we will be performing routine system maintenance to myGS, including the Volunteer Toolkit and gsLearn. Access to these tools will be unavailable during this time. Everything should be back up and running by **Monday, February 5, 2024!**

This maintenance may impact caregivers, volunteers, and our customer care team aka the GSCV help desk team, who will be unable to respond to online inquiries until the updates are complete. This includes the following scenarios:

- Current members (volunteers and caregivers) trying to access:
 - Their Girl Scouts profile and troop information on myGS
 - gsLearn for volunteer training
 - The Volunteer Toolkit for guidance and program materials used to conduct troop meetings
- Girl Scout staff members and customer care teams trying to respond to online inquiries including but not limited to new members transactions.

We know that it's a busy time of year for Girl Scouts, which is why we want to make sure our system is in tip-top shape! Routine system maintenance is necessary for keeping things running smoothly for our caregivers, volunteers, and staff. Make sure you have everything you might need in advance of this downtime so you aren't inconvenienced!

2024 Cookie Program

Council Sponsored Cookie Booths

Council Sponsored Cookie Booths launched on Monday, January 22nd.

On Wednesday, January 31st at 12:00 P.M., the number of booths each troop can secure increased from two to four.

Girl Delivery Available Again

Girl Delivery orders submitted before 11:30pm on Sunday, January 21st were automatically transferred to Smart Cookies.

All other girl delivery orders need to be picked up from the cookie cupboard or the Troop Leader. Troop leaders and parents will need to check for new girl delivery orders and pick up cookies from the troop leader or at a cupboard.

An easy way to do this is to run the **All Order Data** report and then sort it by type or order and date to see what has come in since the initial order. Below is an example with personal information removed.

Once the cookies have been picked up by the girl, the leader can transfer the cookies to the girl in Smart Cookies to ensure she gets credit for the sale.

Digital Cookie Q&A

A friend purchased cookies from my daughter, and they received an email saying the cookies would be ready for delivery March 2nd. Since we are picking up cookies in mid-February, why are customers being given a March delivery date?

When a customer purchases cookies through the Digital Cookie site, they receive an email telling them the cookies will be available for delivery March 2nd or 3rd. Most likely, you will have your cookies in-hand prior to that date since the cookie deliveries and drive thru will be happening mid-February. The system naturally adds two weeks to the deliveries date to give girls enough time to secure cookies from the troop leadership. Girls and parents can let customers know if they plan to deliver the cookies prior to that date.

My troop is showing as "opting out of rewards" in Digital Cookie, but we want the rewards and are too young to opt out.

Troops Cadette-Ambassador who want to opt out of cookie rewards will need to do that through Smart Cookies under the Troop Information tab. Because GSCV is not using the rewards portion of Digital Cookie this year (we are waiting on some improvements), all troops show in Digital Cookie as having opted out. It simply means the Council has opted out of the rewards tab, not that the troop has opted out of rewards.

When I try to use the mobile app I'm getting an error message. What am I doing wrong?

In order for the mobile app to work, the troop must first set up its virtual booth in Digital Cookie. Once this is completed, the app will allow troops to take orders and collect payments through the mobile app. For more information on setting up your troop virtual booth, check out [this helpful tip sheet](#).

For more information on setting up the mobile app, check out [this tip sheet](#).

How will troops take payment at booths this year?

Girls will be able to take payment at booths using the Digital Cookie mobile app, but only if the booth is added to the Smart Cookies system. Girls can also take orders for individual sales using the mobile app.

I can't pick up my cookies the day that the drive-thru is going to be held. What should I do?

If you are picking up your cookies at one of the three drive-thru locations February 15th, 16th, or 17th, you have several options.

- You can choose to come to any of the three locations that best meet your needs.
- You can have a parent or Troop Cookie Manager pick up the cookies on behalf of your troop.
- If you still don't have any way of getting the cookies, please contact our HelpDesk, at gshelper@comgirlscouts.org and they will connect you with someone who can arrange to meet you at our warehouse in Chesterfield the following week to pick up your cookies.

General Cookie Questions

Cookie Booths –Smart Cookies

On Wednesday, January 31st at 12:00 P.M., the number of booths each troop can secure increased from two to four.

Are you scheduling booths on your own for your troop? Remember to enter those in Smart Cookies so they will show up on the Cookie Finder app. Listing them in Smart Cookies enables your troop to use Digital Cookie credit card processing for electronic payments at your booth. When scheduling your troop's booths, keep in mind this guidance from Girl Scouts of the USA:

"Certain locations may be inappropriate for young girls based on the standards of your local community, may negatively impact the cookie program experience for girls, and/or may negatively impact our brand in your community. For clarity, girls should not sell in or in front of establishments that they themselves cannot legally patronize."

For this reason, GSCV does not approve cookie booths at breweries, wineries, and dispensaries.

To enter your troop's secured booth in Smart Cookies, follow the steps below:

- Log into Smart Cookies
- Click on Booth at the top of your dashboard
- Click on Troop Secured Booths
- Enter the location with the complete address
- Enter the day and time of the booth
- Click Save

These booths will need to be approved by a member of the GSCV staff before they show in the Cookie Finder app or as a booth in your troop listing. Booths are approved weekly prior

to cookies arriving and daily once booth season begins.

The first come, first serve cookie booths went live in Smart Cookies on January 22 at 7pm for all troops. We will continue to add more booth locations as they become available so be sure to check back with Smart Cookies regularly. Initially we will limit troops to one booth so everyone has a chance of getting one. Later in the program we will expand the number of booths a troop can sign up for as we add more opportunities.

To register for one of these booths, follow the steps below:

- Log into Smart Cookies
- Click on Booth at the top of your dashboard
- Click on Schedule Booth
- Select a booth out of the available opportunities

Below is an update on the status of some of our community partners and cookie booths.

Opting out of Cookie Rewards – Older Girl Troops Only

If your troop is made up of just Cadettes, Seniors, and/or Ambassadors, and your girls have decided to opt out of recognitions, it is important you do this prior to placing your initial order. Follow these steps to complete this process:

- On your Troop Dashboard, click on My Troop
 - Click on Troop Information
 - Click on Main Recognition Plan and choose Opt Out. This will change to opt out in both the main recognition line and the troop recognition line.
 - If Opt Out doesn't appear and you can't make the choice, it may mean your troop isn't strictly older girls and is not eligible to opt out, or you may have already created a recognition order and will need the Help Desk to assist you. You can contact the Help Desk at gshelper@comgirlscouts.org.

Parent/Guardian agreement (pdf option)

Don't forget to have the parents/caregivers in your troop sign the parent/guardian agreement.

Keep these on file for your troop and only submit if there is an outstanding balance at the end of the program.

Correction in the How to Guide for Troop Leaders and Troop Cookie Managers

Under Options for customers on page 9 in the guide it refers to being able to order online and pay at the time of delivery. This season all cookies ordered online will be paid for at the time of the order. The only orders that are not paid for at the

on the hard copy order card.
