GSCV Treat Yourself: Fall Product Program

Materials for the upcoming Fall Product Program were mailed the week of August 21st.

The Fall Product Program is a fun and simple way for Girl Scout troops to finance adventures, give back to the community and learn the five essential skills of Goal Setting, Decision Making, Money Management, People Skills, and Business Ethics. Troop packets were mailed to leaders this summer.

This year's theme is OWN YOUR MAGIC and the mascot is the Ocelot.

The Ocelot is a medium-sized wildcat found throughout the Southwest in the United States, Mexico, and Central and South America.

They are agile climbers and love to swim. Their beautiful fur coats make them resemble a jaguar or leopard. Encourage your Girl Scouts to learn more interesting things about these beautiful, endangered cats.

New this year customers will be able to purchase Tervis products and a special Girl Scout themed Bark Box through the magazine portal.
