Insurance Descriptions/Explanations

A portion of the individual annual GS membership dues pays for supplementary/basic insurance for Girl Scout members only. This insurance provides up to a specified maximum for medical expenses incurred because of an accident while a member is participating in an approved, supervised Girl Scout activity lasting two nights or less, after the individual's primary insurance pays out. This is one reason that all adults and girls should be registered members. Non-registered parents, tagalongs (brothers, sisters, friends), and other persons are not covered by basic coverage.

Per Safety Activity Checkpoints, trips that are three overnights or more are not covered under automatic activity insurance. International trips and any activity with non-members are not automatically covered. Activity accident insurance for members must be individually purchased under the following scenarios:

- Involve three or more overnights
- Take place outside US territory
- Include non-members, such as siblings, and friends

For plan descriptions, see below or visit [Mutual of Omaha's website \(https://www.mutualofomaha.com/girl-scouts-of-the-usa/forms.html\)](https://www.mutualofomaha.com/girl-scouts-of-the-usa/forms.html) for more detailed information. To purchase additional insurance, submit request to gshelper@comgirlscouts.org.

Types of Additional Insurance:

Plan 3E Accident and Sickness Insurance (supplemental to individual's insurance) -\$0.29 per participant per calendar day

Optional: For *member and non-member participants* in approved Girl Scout activities 4 days/3 nights or longer. This acts as a supplement to an individual's personal insurance.

Plan 3P Accident and Sickness Insurance -(primary insurance) -\$0.70 per participant per calendar day

Optional: For *member and non-member participants* in approved Girl Scout activities – most often purchased for council sponsored activities such as resident camp or for troop travel of 4 days/3 nights or longer. This acts as a primary and is recommended for trips outside council boundaries.

Plan 3PI Accident and Sickness Insurance for International Trips -\$1.17 per participant per calendar day

Required: For *member participants* in approved international trips. Primary coverage, not subject to coordination of benefits and includes emergency travel assistance service. See Mutual of Omaha website for details.

If troops are purchasing the EF Global Protection insurance, they do *not* have to purchase the Mutual of Omaha 3PI on top of that. Every individual traveling should have accident/sickness insurance that works internationally. Plans differ. Be aware of differences and plan accordingly.
