## Mission, Promise, and Law

The Girl Scout Mission is a powerful statement of what we strive to do each day. The Girl Scout Promise conveys how Girl Scout members agree to act every day toward one another and other people. The Girl Scout Law outlines how Girl Scouts act toward one another and the world.

### Girl Scout Mission

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

### Girl Scout Promise

On my honor, I will try:  
 To serve God\* and my country,  
 To help people at all times,  
 And to live by the Girl Scout Law.

### Girl Scout Law

I will do my best to be  
 honest and fair,  
 friendly and helpful,  
 considerate and caring,  
 courageous and strong, and  
 responsible for what I say and do,  
 and to  
 respect myself and others,  
 respect authority,  
 use resources wisely,  
 make the world a better place, and  
 be a sister to every Girl Scout.

# Welcome to Camp!

Dear girls and families,

Welcome to another exciting summer with Girl Scouts of the Commonwealth of Virginia! For many of us, summer camp is the best time of the year, and this year is shaping up to be the best year yet. Whether you are returning to camp or are new to the experience, I'm thrilled to share the many opportunities awaiting your camper this season.

Growing up attending GSCV resident camp, I know just how powerful the experience can be. It's more than just an adventure in the great outdoors – it's about making lifelong friendships, learning new skills, and building a deep sense of community. Our camps provide all the building blocks for campers to go home each year a new, more confident and courageous version of themselves. Over the years, our camps have remained a place where girls grow into their best selves, creating memories that will last a lifetime.

This year, we're excited to offer more options than ever before to help campers build connections, try new activities, and push themselves to new heights. From exciting outdoor adventures to creative arts and team-building challenges, there's something for every camper to explore and enjoy. Our staff is working hard to ensure that your camper will experience the very best of what Girl Scout camp has to offer – fun, growth, and connection.

One of the things we're most excited about as we shake things up in our summer programming is the new ways we're building community between campers and staff. Through shared experiences, activities, and group reflections, we're fostering an environment where girls feel supported, inspired, and empowered. It's our goal to ensure that every camper leaves camp with not only new skills but a stronger sense of belonging.

I am also incredibly proud of our team of camp staff this summer. These talented, capable, and creative individuals are passionate about leading young girls through their camp journey. Each one is dedicated to creating a safe, fun, and welcoming environment, where your camper will thrive and experience the magic of Girl Scout camp.

I can't wait to see the smiles, laughter, and growth that will fill our campgrounds this summer. Together, we'll create memories, friendships, and experiences that will last a lifetime.

Thank you for entrusting us with your camper's summer. Here's to the best summer ever!

June 22-27 and July 6-11  
\$500

In this first level of CIT training, girls establish the leadership and outdoor skills needed to be a camp counselor. Work with others to analyze what makes a good leader and participate in fun and challenging group games. Challenge yourself physically and mentally, then identify which traits you possess that can make you a positive leader. Participants have opportunities to lead activities with younger campers and shadow staff members as well as participate in several areas of camp programming.

# Counselor in Training: CIT 2

For Girls Entering Grades 11-12  
July 13-18 and July 20-25  
\$500

This is the second level of CIT training, and it focuses on skills needed to work with youth at camp. Learn behaviors to expect from campers and how to manage them, and how to work as a team with all staff. In addition to building your skills working with campers, you will learn more about the operations of camp. Spend time observing and assisting in health and wellness, program areas, and administrative operations. After completing your two weeks of the CIT 2 program, CIT2s will have the chance to return for additional weeks and continue hands-on practice of new skills.

# My Summer of Leadership

Our counselors are enthusiastic, caring, and come from all over the world. Staff undergo thorough screening, including background checks, and are chosen for their ability to enhance the camp experience. Camp staff are CPR and first-aid certified. Additionally, many staff members hold advanced certifications such as lifeguarding, archery instruction, challenge course facilitation, wilderness first aid, and Leave No Trace education. Staff also complete intensive on-site training including Youth Mental Health First Aid Certification.

# Campfire Q&A

## How do I register my girl?

Registration opens at 6:30 P.M. on Thursday, February 13, and there are three easy ways to register:

- Online: [www.comgirlscouts.org/EVENTS](http://www.comgirlscouts.org/EVENTS)  
OR Your MyGS portal – go to MyEvents
- Email: [gshelper@comgirlscouts.org](mailto:gshelper@comgirlscouts.org)
- Mail: Fill out and mail in the registration form found in the back of this booklet to Girl Scouts of the Commonwealth of Virginia P.O. Box 11166, Richmond, VA 23230

Registration is first come, first served. Confirmation of camp purchase will be emailed immediately after you complete your registration. A detailed confirmation email will be sent prior to the camp date which will include required paperwork, health forms, packing lists, directions to camp, and more. A non-refundable \$50 deposit per session will reserve your camper's space, then the balance is due two weeks before the start of the session.

## If my girl isn't a Girl Scout, can she still come to camp?

Not a Girl Scout? Not a problem! All girls are welcome at Girl Scout camp. If your girl is not a registered Girl Scout, add \$35 to your registration. It's that easy!

## Is financial assistance available?

Yes. We want every girl to experience camp! Financial assistance is available to help families meet the cost of sending their girl to camp. There is a financial assistance form in the back of this publication.

## Is my camper ready for camp?

*Take our Camp Readiness Quiz on page 29!*

Making the choice to attend camp for the first time is an important decision for camper and parent. There are some great ways to ease into the camp experience. You can try a shorter session or come to camp together at Family Camp.

Encourage your girl to be part of the planning process by looking through this publication together and picking the camp session that fits your schedule and her interests. Invite her to take a helping role in preparing for camp. With your guidance, she can shop for supplies, pack her own bag and pre-address stationery to use at camp.

### What if my camper has special needs?

Our policy of inclusion means that we try to accommodate as many campers as possible and provide a successful experience for all girls. Please partner with our staff to help make the camp experience successful for your child. Communicate with the help desk ([gshelper@comgirlscouts.org](mailto:gshelper@comgirlscouts.org)) about your girl's needs before registering her for camp. This enables our camp staff to make every effort to make reasonable accommodations. Campers should be self-sufficient and able to dress, eat and shower on their own.

### What food is provided at camp?

- At resident camp, we provide meals and snacks with vegan and gluten-free options available.

### How do we apply credits earned from the Girl Scout Cookie Program?

Our camp sessions fill quickly, so please register with your \$50 deposit to hold your spot at the time of registration. Your camper's Pathway Pass will be issued to her in mid-April upon completion of the cookie program. Once credit is given for the earned/free session of camp, you will be issued a deposit refund if applicable.

### What if I need to cancel?

Our longstanding policies regarding refunds and cancellations state:

- Cancellations made a minimum of three weeks (21 calendar days) before camp will result in a refund minus the \$50 deposit.
- No refund is provided for cancellations made three weeks or less (20 calendar days) before the first day of the camp session.
- The \$50 deposit per session is non-refundable.
- If the camper is a no-show at the full camp session, no refund is provided unless GSCV has had notification of late arrival.
- If a camper leaves early because of homesickness, unacceptable behavior or parental request, no refund will be made.
- All requests for refunds must be made in writing and emailed to [gshelper@comgirlscouts.org](mailto:gshelper@comgirlscouts.org)

## About GSCV

On March 12th, 1912, Juliette “Daisy” Gordon Low brought 18 girls from Savannah out of isolated home environments and into the open air. Girl Scouts hiked, played basketball, organized community service, went on camping trips and studied first aid.

A year later, Girl Scouts of the Commonwealth of Virginia began with Troop #1 in Highland Springs. In 1932, the first African-American Girl Scout troop in the South was formed in Richmond, meeting at Virginia Union University. Today, there is a historical marker commemorating history-making Girl Scout Troop 34 on Virginia Union’s campus.

Girl Scouts of the Commonwealth of Virginia believes in the power of every girl. Our leadership Program is designed to help a girl discover who she is and what she can do and connects her with a powerful community of girls and mentors to make it happen. Girl Scouts explore, learn, succeed, and take action to make a difference in their community.

With support from dedicated adult volunteers, parents and staff, we deliver the best Girl Scout experience to girls and adults in a 30 county and 6 city area within Central, Northern, Southern, Western and Eastern Virginia. Our council’s headquarters is located in Richmond.

Our Girl Scout Shop is also located at our headquarters. We maintain two camp properties: Pamunkey Ridge Girl Scout Camp in Hanover County and Camp Kittamaqund in Northumberland County.

As your local council, we’re your partner in all things Girl Scouts and we can’t wait for you to get started. If you are a girl looking for a place to fit in and have fun, an adult who wants to volunteer to make a real difference in girls’ lives, or a corporation, foundation, or organization that wants to support the good work of Girl Scouts, you’ve come to the right place!
