**Everything you need to know about GSCV Program Events**

**What to expect at an event?**

Girl Scout events are designed for girls at all levels to discover new things, connect with other girls, and take action in their communities. The result? Girls gain leadership skills without even knowing it.

All Girl Scouts of the Commonwealth of Virginia (GSCV) sponsored events are fun, interactive, held to the highest standards, and developed to meet the needs of all girls.

Events are facilitated by staff, volunteers, community partners, and/or girls.

When registering for program events, be sure to include the girls in the process. Discuss their interests, review costs, and let the girls decide what activities they want to attend – this is the girl-led process in action!

**How do I register for a Program Event?**

Troop leaders can register their entire troop, partial troop, or individuals in COMAR – the GSCV online registration system. Girl Scout parents/caregivers can register themselves and their family. Simply go to www.comgirlscouts.org and click COMAR at the top of the page. Need a login? Contact the GSCV Helpdesk at GSHelper@comgirlscouts.org.

**What is a Tagalong?**

A tagalong is any family member or friend who is not a registered member of Girl Scouts, including younger (and older) siblings and brothers that are “tagging along” at Girl Scout events. Tagalongs are invited to attend family events only.

---

**When does registration open?**

Events taking place from September 2019 through February 2020 will open:

**August 8, 2019 at 8:00pm**

Events taking place from March 2020 through June 2020 will open:

**November 7, 2019 at 8:00pm**

**When does registration close?**

If space is available, and unless noted otherwise, registration will close ten days prior to the start date of an event.

**Do accompanying adults need to be registered members of Girl Scouts?**

Unless stated otherwise, ALL GSCV Program events are Members-only events. This means that all girl and adult attendees must be current members of Girl Scouts.

To ensure the safety of all Girl Scouts, Adults attending events must have a current Girl Scout membership and background check on file. If you have any questions about your membership status or background check, contact GSHelper@comgirlscouts.org.
Can I drop off my Girl Scout at events? Do I have to stay the entire time?

Unless stated otherwise, all Girl Scouts attending events are required to have one of the following at all times:

1. For troop events, Troop Volunteers use the Girl/Adult Ratios below to ensure proper registered adult coverage onsite. Troop volunteers should have health history on hand for each girl at each event.
2. Girls attending individually must have a registered adult onsite.
3. Girls attending Family events must have a registered adult onsite.

What do adults do at Girl Scout Program Events?

Before an event, Troop Leaders are responsible for obtaining permission slips and meeting GSUSA Girl/Adult Safety Ratios for attendees.

During an event, adults are expected to assist program staff and volunteers as needed. Adults may be asked to lead stations or activities, help with check in and check out, or help distribute supplies.

What if I can no longer attend an event? What is the cancellation Policy?

As Troop Leaders, you know the Girl Scout Cookie Program is the most popular activity, and for good reason. When a Girl Scout participates in the Girl Scout Cookie Program, she’s doing more than handing customers a package of cookies. She’s creating a plan, interacting with clients, and working as part of a team. She’s building a lifetime of skills and confidence.

GSUSA research shows successful troops have a Troop Cookie Manager to support the Troop Leader during the cookie program. Bring your Troop Cookie Manager to training in December to ensure your girls are prepared to set and achieve their goals.

For girls who have completed their PA, CIT, CIT II, or VIT:

Join an elite team of teen Girl Scouts who are trained and trusted to facilitate activities at Girl Scouts of the Commonwealth of Virginia program events. Through the GAB Program, teens will learn vital life skills such as decision making and flexibility while being mentored by peers and GSCV program staff. When girls join the GAB ranks, they will outline their leadership goals for the year and work one-on-one with mentors to achieve them. GABs will also make unforgettable memories as they bond with girls their age across the Commonwealth. Active GABs will easily earn their Service to Girl Scouting Bar and hours of community service for school or extracurricular awards.

Girls interested in becoming a GAB should email gshelper@comgirlscouts.org with the subject line “GAB Application.” The email should include the girl’s name, grade, primary email contact, a list of three personal or professional goals they are working toward, and a paragraph on why they want to be a GAB. Girls are invited to apply any time throughout the year.

GABs will be invited to spend the night at camp during overnight program weekends to help set up activities and meals. We can’t wait to grow with you!
